

RebarPAC Prior Approval Form

The Federal Election Commission requires us to request the written prior approval of CRSI members before soliciting contributions to CRSI RebarPAC. Corporations may not approve solicitations by more than one trade association for the same calendar year. If you have not already granted CRSI RebarPAC prior approval, we ask that you please take a moment now to fill out this form and return it to CRSI at the address provided below.

✓ **AUTHORIZATION OPTIONS (please check appropriate box below):**

Yes, as the official representative to CRSI, I hereby authorize CRSI RebarPAC to:

- conduct a solicitation of my company's restricted class (executive and administrative personnel, stockholders, and the families of both groups) and a designated individual or I will serve as the contact point to disseminate RebarPAC materials to them. (Please provide the name and contact information for the individual designated to disseminate RebarPAC materials if it is someone other than yourself.)
- conduct a direct solicitation of **all** of my company's restricted class (as described above), a separate contact list of which is attached, as well as from those restricted class members who individually approach RebarPAC and do not appear on the list provided.
- conduct a direct solicitation **but only of those individuals** of my company's restricted class (as described above) that I set forth, a separate contact list of which is attached.

I recognize I may give my authorization for up to five years and the completion of my signature automatically authorizes REBARPAC solicitations for each respective year.

OFFICIAL REPRESENTATIVE

Name: _____
