|---|-----|--|------|
| <b>Acknowledgements</b>   | ii  | Chapter 7  |      |
| Chapter 1   |     | <b>Seismic Design of Pile Caps</b>                                       | 7-1  |
| <b>Introduction</b>   | 1-1 | 7.1 General  | 7-1  |
| 1.1 General   | 1-1 | 7.2 Seismic Design of Pile Caps per<br><i>2012 IBC Chapter 18</i>        | 7-1  |
| Chapter 2   |     | 7.3 Seismic Design of Pile Caps per<br>ACI 318-14 Section 18.13          | 7-1  |
| <b>Loads</b>  | 1-1 | Chapter 8  |      |
| 2.1 General   | 2-1 | <b>Design Examples</b>   | 8-1  |
| Chapter 3   |     | 8.1 General  | 8-1  |
| <b>Pile Cap Behavior</b>  | 3-1 | 8.2 Design Example #1 – 16 Piles   | 8-1  |
| 3.1 General   | 3-1 | 8.3 Design Example #2 – 5 Piles  | 8-8  |
| 3.2 Load Case I: Vertical Load $D + L_{floor}$                                      | 3-1 | 8.4 Design Example #3 – 6 Piles  | 8-13 |
| 3.3 Load Case II: Combined Axial, Shear, and<br>Moment Demand                       | 3-2 | 8.5 Design Example #4 – 7 Piles  | 8-19 |
| Chapter 4   |     | 8.6 Design Example #5 – 5 Piles (High Load Piling)                       | 8-24 |
| <b>Dimensioning and Detailing Pile Caps</b>   | 4-1 | 8.7 Design Example #6 – 16 Piles - Axial Plus<br>Lateral Demand          | 8-29 |
| 4.1 General   | 4-1 | Chapter 9  |      |
| 4.2 General Overview of ACI Chapter 15<br>Provisions as Applied to Pile Caps        | 4-1 | <b>Tabulated Designs</b>   | 9-1  |
| 4.3 Other Pile Cap Requirements and<br>Recommendations as Used in this Design Guide | 4-5 | 9.1 General  | 9-1  |
| Chapter 5   |     | 9.2 Tabulated Pile Cap Designs for Gravity Loads                         | 9-1  |
| <b>Pile Cap Design for Gravity Loads</b>  | 5-1 | 9.3 Tabulated Pile Cap Designs for<br>Combined Gravity and Lateral Loads | 9-1  |
| 5.1 General   | 5-1 | Chapter 10   |      |
| 5.2 Design Provisions for Flexure   | 5-1 | <b>Selected References</b>   | 10-1 |
| 5.3 Design Provisions for Shear   | 5-2 | <b>Notations</b>   | N-1  |
| 5.4 Limit State Design Summary for Shear  | 5-5 | <b>Tables</b>  | T-1  |
| 5.5 Tabulated Pile Cap Designs for Gravity Loads                                    | 5-8 | <b>Appendix A – Derivations and Proofs</b>                               | A-1  |
| Chapter 6   |     | <b>Appendix B – Column-to-Pile Cap<br/>Connections</b>                   | B-1  |
| <b>Pile Cap Design for Lateral Loads</b>  | 6-1 | <b>Appendix C – Pile-to-Pile Cap<br/>Connections</b>                     | C-1  |
| 6.1 General   | 6-1 |  |      |
| 6.2 Pile Cap Analysis Models and Properties   | 6-1 |  |      |
| 6.3 Tabulated Pile Cap Designs for<br>Combined Gravity and Lateral Loads            | 6-3 |  |      |
