### **Concrete Reinforcing Steel Institute Names Interim President**

(SCHAUMBURG, ILLINOIS — June 8, 2015) The Executive Committee of the Concrete Reinforcing Steel Institute (CRSI) has appointed David McDonald, Ph.D., PE, F.ACI as interim President of the Institute effective immediately. For the past six years, Dr. McDonald has been Managing Director of the Epoxy Interest Group of CRSI where his efforts included steering technical and marketing efforts. In this interim position, McDonald is responsible for the daily operations of CRSI.

McDonald's prior experience was a Senior Research Associate at a Fortune 500 organization where he had both personnel and financial responsibilities and as a Consulting Engineer specializing in construction materials.

McDonald is a licensed Professional Engineer in Illinois. He obtained both his bachelor's and doctorate degrees in Civil Engineering at the University of Sydney Australia.

For additional information about David McDonald's appointment, contact Dave Mounce, Director of Communications, at [dmounce@crsi.org](mailto:dmounce@crsi.org).

### ***About the Concrete Reinforcing Steel Institute***

Founded in 1924, the Concrete Reinforcing Steel Institute (CRSI) is a technical institute and an ANSI-accredited Standards Developing Organization (SDO) that stands as the authoritative resource for information related to steel reinforced concrete construction.

Serving the needs of engineers, architects and construction professionals, CRSI offers many industry-trusted technical publications, standards documents, design aids, reference materials and educational opportunities. CRSI Members include manufacturers, fabricators, material suppliers and placers of steel reinforcing bars and related products as well as professionals who are involved

in the research, design, and construction of steel reinforced concrete. CRSI also has a broad Region Manager network that supports both members and industry professionals. Serving the construction market in the United States, Canada, and Mexico, CRSI is headquartered in Schaumburg, Ill. with regional offices located across the United States.
